

Bite the Bullet, LLC Brass Credit Program

Bite the Bullet is happy to offer our customers additional savings by providing a Brass Credit Program that can be applied to existing ammunition orders. It is simple and will lower the cost of your shooting.

-Store credit only provided for calibers manufactured under the Bite the Bullet brand (we accept any manufacturer's brass in these calibers)

-No corroded or dented brass

-No steel or aluminum components

-Sorting is not needed (mixed calibers are ok - our machine will do the sorting) -Bag brass inside of shipper box

-Include a completed Customer Credit form in each shipper box

-Send in shipping boxes only (Use extra tape – especially at corners and seams)USPS is rough on the boxes.

-Brass credit will be applied to your order. Can only be used for purchase of Bite the Bullet branded ammo.

-Brass is a traded commodity so the market price fluctuates often.

Example of how it works: Your order is \$1,000.00, send us \$999.00 in brass using our Brass Credit Program. After we apply your store credit, you will only be charged \$1.00 plus shipping. Nice and easy.
